

“Sculptural Elements 2017”

A 3-Day Workshop with
Elaine Franz Witten

Monday - Wednesday, October 16 - 18, 2017

This workshop will teach students the artistic elements of sculpture. The goal will be for each student to build with plumbing parts and wire an armature for either a standing animal (approximately 9" at the shoulder and 15" - 16" long) or standing figure (approximately 15" - 16" tall) and in the process, learn a system of armature building that can be adapted for any subject, any size. Then we will work in oil-based clay to construct the animal or figure ready for casting. All levels of experience, beginners welcome.

Workshop Location and Schedule: TaradenArts Gallery Barn Studio, 183 Park Street, North Bennington, VT 05257
Daily Schedule: 9:30 AM 5:00 PM

Workshop Fee: \$300 for 3 days
Or, \$100/day if unable to attend all days.
Necessary boards, armature materials and clay will be provided and sold to students at cost payable to instructor at end of workshop.
Accepting Registrations Through October 1st
Workshop limited to 12 students, Order of acceptance based on full payment date.

Parking Available on site.

Special room rates for attendees staying at Taraden B&B. Arranged separately.
